ABC Technologies Pvt. Ltd.

Employee Leave Policy

Policy Effective Date: 1 January 2026

Applies To: All full-time employees

1. Casual Leave

Employees are entitled to **12 days of Casual Leave (CL)** per calendar year. Casual Leave is intended for short-term personal needs. Employees should normally apply at least one working day in advance. Unused Casual Leave cannot be carried forward to the next calendar year.

2. Sick Leave

Employees are entitled to **12 days of Sick Leave (SL)** per calendar year. For sick leave of more than two consecutive working days, a medical certificate may be requested by the company. Unused Sick Leave may be carried forward up to a maximum balance of 24 days.

3. Earned / Privilege Leave

Employees receive **18 days of Earned Leave (EL)** per calendar year. Earned Leave should generally be requested at least seven calendar days in advance. Unused Earned Leave can be carried forward, subject to a maximum accumulated balance of **45 days**.

4. Maternity Leave

Eligible employees may receive up to **26 weeks of maternity leave**, subject to applicable company rules and statutory requirements. Employees should contact Human Resources for eligibility and documentation requirements.

5. Paternity Leave

Eligible employees may receive **10 working days of paternity leave**. The leave should normally be taken within 90 days of the child's birth.

6. Leave Approval

All planned leave must be submitted through the company's leave management system and approved by the employee's reporting manager. Emergency leave should be communicated to the manager as soon as reasonably possible.

7. Leave During Notice Period

During the notice period, leave requests are subject to manager approval and business requirements. The company may review extended leave requests separately.

8. Public Holidays

Public holidays declared in the company's annual holiday calendar are separate from the leave balances described above.

9. Important Note

This document is a sample policy created for demonstration of a Generative AI document-extraction application. It is not an actual company policy.
